

UNA SP

Centro Universitário Adventista de São Paulo

SCHOOL OF NURSING

Loma Linda
University, 2011

Dean: PhD. Marlise de O. P. Lima
marlise.lima@unasp.edu.br

Students

- Curricula: 5 years to bachelor's degree
- 250 students enrolled;
- 55 students per year;
- 47 students graduated;
- 70% adventists (2 baptized last year)
- Graduated nurses from our school have good jobs at public and private health services although find a job actually is hardest for new nurses;
- 20% will take post graduation classes, continuing their studies at UNASP.

Faculty

- 39 teachers;
- 57% had made post graduation programs (23% are Doctors and others have a Master degree);
 - 10% work full time, 30% partial and others are hourly workers.
 - 75% Adventists.

Program

- Research groups;
- High standards hospitals and community health services to practice;
- Good school infrastructure (library, health labs, cafeteria, church, etc);
- Curriculum restructuring projects and funded by the national government.

Mission Projects

- Apinajés and Paresi (July, 2010/2011);
- Amazonas (December/2010)
- Health promotion

Project to enhancing

Health of the students from other undergraduate courses at our university;
