This program is for registered nurses who wish to complete their BS degree. It prepares students for professional nursing in both acute and community settings. The LLU RN to BS hybrid program was designed with full-time working professionals in mind. As such, the program offers the flexibility of part-time or full-time enrollment and the convenience of online learning.

All programs are fully accredited by the Western Association of Schools and Colleges (WASC); the BS, MS and DNP programs in Nursing are also accredited by the Commission on Collegiate Nursing Education (CCNE).
