

ADULT-GERONTOLOGY CNS PROGRAM — Sample curricular program. Full-time.

BS to DNP Program

Our Hyperflex model combines the flexibility of online learning with the value of in-person experiences.

Most courses can be completed remotely, but those [shown in blue below](#) include required on-campus sessions for essential hands-on training.

Clinical, lab, and simulation courses feature scheduled in-person practice sessions to help you build the real-world skills needed for confident clinical care.

Each 11-week quarter also includes a Seminar Week (typically during Week 5). For non-blue courses below, you can choose

to participate either on campus or remotely to connect and collaborate with your classmates.

Hyperflex flexibility—online or in person, your choice.

Qtr/Year	Fall			Winter			Spring			Summer		
Yr 1	NGRD 651	Nursing Theory	4	NGRD 657	Intermediate Statistics	4	NGRD 658	Translational Research	4	NGRD 650	Advanced Role	4
	NGRD 659	Writing for Publication	4	NGRD 652	HC Systems Leadership	4	NGRD 654	Social Determinants of Health	4	RELR 540	Wholeness and Health	3
