Located in the heart of the Inland Empire, the Loma Linda University School of Nursing offers students a quality Christian education embracing the importance of whole person care for mind, body and spirit. With students from more than 80 countries and 65 religions, we have a richly diverse student body that adds to the excitement of learning and exchange of ideas.

The School of Nursing offers the Bachelor of Science (BS), Master of Science (MS), Doctor of Philosophy (PhD), and Doctor of Nursing Practice (DNP) degrees. All programs are fully accredited by the Western Association of Schools and Colleges (WASC); the BS, MS and DNP programs in Nursing are also accredited by the Commission on Collegiate Nursing Education (CCNE).

The BS degree prepares students for professional nursing in acute and community settings. The length of the program varies depending on the track. Exact track information can be found on the School of Nursing website www.llu.edu/nursing.

SOME AREAS OF NURSING

The BS in Nursing will allow you to work in many different areas of nursing. Here are some of the options that you will have when you graduate:

Administration, Cardiology, Public Health, Critical Care, Emergency, Gerontology, Home Health, Informatics, Mental Health, Neonatology, Neurology, Obstetrics, Oncology, Organ Transplantation, Orthopedics, Pediatrics, Pulmonary, Rehabilitation, Research, School Nurse, Surgery, and Trauma.

LOMA LINDA UNIVERSITY MEDICAL CENTER (LLUMC)

LLUMC is located across the street from the School of Nursing. The Medical Center is a tertiary-care teaching hospital with over 900 beds across multiple entities: LLUMC, Children's Hospital, East Campus, Behavioral Medicine Center, Surgical Hospital and LLUMC - Murrieta. As a level one regional trauma and health care center, LLUMC operates some of the largest clinical programs in the United States.

LLUMC is the site for many of the clinical experiences, internships, and educational opportunities available to students at Loma Linda University.
