

Nursing Education Xchange

Loma Linda University School of Nursing is a member of NEXus (The Nursing Education Xchange). NEXus is a collaboration among participating doctoral programs in nursing that allows doctoral students enrolled at member colleges and universities to take courses that may not be offered at his/her home institution for a common price. Through NEXus, member institutions have identified courses that are available at a distance and open for enrollment by students from other member institutions.

Financial Considerations

The current NEXus Common Price per course is \$825.00 per semester, and \$550.00 per quarter credit hour. This fee is intended to cover all associated university fees such as technology, library or application fees. As with all courses, students are responsible for the cost of books and educational materials.

NEXus courses may qualify for financial aid. If you are receiving financial aid and plan on taking a NEXus course, please contact financial aid to complete a LLU School of Nursing consortium agreement.

Registration Deadlines

The student is responsible for meeting the registration and payment deadlines of the institution that is offering the course. In most cases, this will not coincide with the LLU School of Nursing calendar, so advanced planning financially and academically is critical. Visit the NEXus website for a complete list of registration deadlines.

Academic Considerations

- Decisions about selection of a NEXus course must be made in consultation with your academic advisor/committee chair.
- Students enrolled in a NEXus course must meet all course requirements.
- Students are encouraged to contact the course faculty in advance to ensure that they understand the course requirements (for example, prerequisite courses, vacation periods, on-campus requirements, technology requirements, synchronous versus asynchronous discussions).

Visit <http://winnexus.org> for contact information and registration deadlines and dates.
