

**Loma Linda University  
School of Nursing  
Student Presentation Scholarship Application**

The SN Research Committee is pleased to offer a fund available to help off-set the costs of presenting research and evidence-based project (EBP) results at recognized conferences. Funding is available for up to 12 students per year before March 1, for a maximum of \$250.00 per student to be utilized for scientific poster printing and conference registration fees. Submit your application to Dr. Lisa Roberts, Research Director, West Hall, LLU SN. If you are a fully funded student do not submit this application; instead contact Dr. Roberts at ext. 83830, as a different process will be followed. (If you are not sure whether or not you are fully funded, please contact the student financial aid office at ext. 44509, to find out.)
