Loma Linda University offers BS, MS, and Doctoral degrees in Nursing. The BS degree requires 7-8 quarters after completion of prerequisites and admission into the program.

**ALTERNATE TRACKS** are available for RN’s, LVN’s, and individuals with bachelor’s degrees in other areas. ADN graduates must obtain an RN license before applying for admission to the BS degree program. RN’s may complete the BS in Nursing in just 4 quarters of full time study if all other prerequisites are met. *(These tracks have slightly different requirements, please contact us with questions).*

The following courses must be completed with a grade of a C or better, a C- or below will not transfer. Students must have a minimum cumulative and prerequisite GPA of 3.0 for the regular track or 3.3 for the accelerated track to be considered for admission to the nursing program at Loma Linda University. If you have any questions regarding specific courses, please contact the Office of Admissions at (909) 558-4923.
